Griffin First Assembly Media Permission Form

Here at Griffin First Assembly we like to capture special events and memories in this digital age. Our church takes many pictures of baptisms, choir performances, concerts, worship services, mission trips, special presentations, Sunday school, fellowship activities and community projects. These pictures are used on bulletin boards, in slide shows, in printed publications, on our church website, and social media.

We do not identify children or youth by name in the photos and videos we use in our online and printed publications. To ensure the privacy of children and adults, the use of full names or personal identifying information requires verbal approval for adults and **written approval for children** from their parent or legal guardian.
